Cytunwyd i anfon y defnyddiau ysgrifenedig canlynol;

Mae Cyngor Cymuned Llangrannog am dynnu eich sylw at y materion canlynol:

- 1) Mae adnewidiadau mewnol blaenorol a wnaed gan y perchnogion presennol yn ddymunol ac yn gydnaws â chareth y adeilad hanesyddol pwysig hwn.
- 2) Rydym yn nodi nad yw'r Awdurdod Lleol yn gwrthwynebu'r adnewidiadau mewnol arfaethedig.
- 3) Yn ymwneud â phryderon yr Awdurdod Lleol am yr estyniad cefn arfaethedig, dyma sylwadau Cyngor Cymuned Llangrannog:
 - a) nid yw'r estyniad atriwm arfaethedig yn weladwy o'r llwybr cyhoeddus cyfagos felly ni fydd yn effeithio ar ymddangosiad cyffredinol yr adeilad.
 - b) gallai cyfaddawd posibl fod i leihau graddfa'r estyniad, a gallai hefyd fod yn bosibl syfarwyddo gwaith trellis sy'n gysylltiedig i gadw cyfanrwydd pensaernïol y nodweddion presennol o'r adeilad a restrir ar Gradd II.

10.02 A230438 Lllys y Nant – llythyr apel

Mae Cyngor Cymuned Llangrannog eisiau tynnu eich sylw at y materion canlynol :-

- 1) Roedd y cais cynllunio gwreiddiol (A220769) yn ymwneud â chaniatáu llety ychwanegol ar gyfer aelodau'r teulu yn unig.

Caniatewyd ymchwiliad cynllunio ar gyfer dau gaban pren, yn amodol ar amodau, un o'r rhai oedd gan y Departament Ffyrdd yn yr ystyr o ddiogelwch ffyrdd, a ddywedodd, "Mae'r llety byw wedi'i gytuno yma yn gysylltiedig â defnyddio'r annedd brif ac ni chaiff ei feddiannu ar unrhyw adeg fel uned ar wahân nac yn uned gyswllt o lety parhaol nac y defnyddir yn gydweithredol ag unrhyw fenter fasnachol." Roedd y cais cynllunio eilradd (A240100) yn ymwneud â mynediadau ar wahân a llwyfannau ar gyfer y ddau gabin a gymeradwywyd gyda'r un amod â'r cais cynharach gan y Departament Ffyrdd.

Felly, rydym yn cwestiynu creu menter newydd, sef llety B&B yn Lllys y Nant, gan ei fod yn torri'r claus uchod a'r ffaith ei fod yn cael ei gynllunio'n wreiddiol ar gyfer defnydd gan y teulu estynedig.

- 2) Diogelwch Ffyrdd:

Mae'r Cyngor Cymuned yn ailadrodd ei phryder ynghylch

10.01 A230651 Pigeonsford Mandion – appeal letter

It was agreed to send the following written representations;

Llangrannog Community Council wish to draw your attention to the following matters :

- 1) Previous internal renovations carried out by the current owners are both tasteful and in-keeping with the character of this significant historical building.
- 2) We note that the LPA does not object to the proposed internal renovations.
- 3) With reference to the LPA's concerns about the proposed rear extension, Llangrannog Community Council's observations are as follows :-
 - a) the proposed atrium extension is not visible from the adjacent public footpath so it would not affect the overall appearance of the building.
 - b) a possible compromise would be to reduce the scale of the extension, and also the intrinsic trellis work could be simplified in order to maintain the architectural integrity of the present features of the Grade II listed building.

10.02 A230428 Lllys y Nant – appeal letter

Llangrannog Community Council wish to draw your attention to the following matters :-

- 1) The original planning application (A220769) was for additional accommodation for family members only.

Planning permission was granted for two wooden cabins, subject to conditions, one of which was from the Highways Department in the interest of road safety that stated,

"The annexed living accommodation hereby approved shall be incidental to the use of the main dwelling and shall not be occupied at any time as a separate unit and associated unit of permanent accommodation or used in conjunction with any commercial venture".

The second planning application (A240100) was for separate entrances and decking for both cabins which was approved with the same proviso as the previous application from the Highways Department.

We therefore query the creation of a new enterprise, viz, B&B accommodation at Lllys y Nant, as it contravenes the above mentioned clause and the fact that it was originally intended for use by the extended family.

- 2) Road Safety :

The Community Council re-iterates its concern for

- a) y diffyg parcio oddi ar y ffordd yn y fan. Nid yw'r ardal wedi'i hesgeuluso fel y dangosir yn y cynlluniau yn addas yn ei chyfnod presennol ar gyfer parcio oddi ar y ffordd. Gweler isod y llun sy'n dangos olwynion y cerbyd du ochr y gyrrwr yn ymledu ar y ffordd. Nid yw'r ardal ar gyfer y safle parcio newydd a gynhelir yn y ffordd yn ymarferol gan ei bod yn gulach na'r un presennol.

Fodd bynnag, pe byddai pobl eraill yn ymweld a pharcio eu ceir y tu allan i'r safle sydd ar gornel, ni fyddai digon o le ar gyfer 2 gar i basio gan arwain at alw'n y traffig.

b) Diogelwch cerddwyr yn cerdded ar y darn hwn o'r B4321, oherwydd y cynnydd sylweddol yn y traffig. Mae hefyd grwpiau mawr o blant a thiworiaid sy'n aros yn y Ganolfan Urdd sy'n aml yn cerdded heibio'r safle ar eu ffordd i draeth Llangrannog. Gall cyfuniad o geir parcio ar y gornel y tu allan i Llys y Nant, yn ogystal â hedfan traffig dwy ffordd, fod yn broblemus i gerddwyr ac i unrhyw ddefnyddwyr eraill o'r ffordd sydd yn cynnwys cerbydau brys.

11.03 A250283 Maesybryn Farm, Pentregat

Dim sylwadau neu gwrthwynebiad.

- a) the lack of off-road parking at the site. The current hashed area as shown on the plans isn't suitable in its current state for off road parking. Please see below picture which shows the black vehicles driver side wheel already encroaching onto the road. The area for the new proposed roadside parking is not feasible as it is narrower than the existing one – please refer to picture.

However, should other people visit and park their cars outside the site which is located on a bend, there would be insufficient room for 2 cars to pass leading to traffic congestion.

- b) The safety of pedestrians walking on this stretch of the B4321, due to the high volume of traffic. There are also large groups of children and teachers staying at the Urdd Centre who often walk past the site on their way to Llangrannog beach. A combination of parked cars on the bend outside Llys y Nant, as well as two way traffic could potentially prove problematic for pedestrians and all other road users which includes emergency vehicles.
